MEMORANDUM FOR: Chief, Insurance Branch

SUBJECT : GEHA Board of Directors' Meeting
19 June 1956

1. Please advise members of the Insurance Branch of the following policies passed by the Board of Directors of GEHA which should be noted and followed.

(a) It is a firm policy of the Board of Directors that officers and employees administering GEHA should administer the program only within the scope of the policies established by the Board of Directors and any deviations therefrom may be made only with prior Board approval.

(b) The Board of Directors announced a policy that the officers of GEHA should not be members of the Board of Directors.

(c) The Board also established a policy whereby we should feel free to advise people that we believe that the Mutual of Omaha Hospitalization and Life contracts are superior to the other ones. In this connection, two (2) Board members indicated that we should not only do this but have an obligation to stress this point.

(d) The Board also asked the officers to report to them at subsequent meetings as to the current workload and whether or not additional help is needed.

(e) They further requested that we attempt to make arrangements for a booth in subsequent Intelligence Products exhibits which are run by the Office of Training. It also was suggested that exhibits explaining the various types of insurance be made available to OTR for use in certain courses and that an exhibit should be prepared and placed where new EOD's could see it.

2. Suggestions from any of your employees will be welcome as to ways and means of getting the word in any new and novel form to the people as to what policies are available.
